

PROBIOTIC

IDLife's Probiotic formula is a combination of thirteen thoroughly researched probiotic bacterial strains that have been combined to support gastrointestinal health and immune system function with more than 11 Billion cfu per capsule.

EVENING PACK

- Supports a healthy immune system and overall gastrointestinal health
- 11 Billion cfu per capsule
- Critical for normal digestion and nutrient absorption

Probiotic formula is a combination of thirteen “friendly” probiotic bacteria strains that have been combined to support gastrointestinal health as well as improve digestive and immune system function. In addition to the thirteen probiotic bacteria strains, we have also included *Saccharomyces Boulardii*, which is not a bacteria strain but rather a type of yeast that functions as a probiotic in the body. Together this blend provides more than 11 Billion cfu per capsule.*
