

# IMMUNE SUPPORT

Supplement	Quantity	Time
Advanced Antioxidant	1	Evening
Immune Defense	1	Morning
Vitamin C	1	Morning
Vitamin D3+	1	Evening

## WHAT DOES THE IMMUNE SUPPORT PACK DO?

Our immune systems comprise of innate and adaptive components. The innate takes care of things like healing wounds, and the adaptive portion responds to pathogen growth by preventing or eliminating it. Vitamin D3, also known as “the sunshine vitamin,” enables the body to retain calcium and phosphorus, is essential to bone formation, aids in the absorption of Vitamin A, and helps boost the immune system. Vitamin C accentuates the complex antioxidant range of vitamins contained in this pack. With the Immune Support Pack, helping your body do its job just got easier.\*

## WHAT IS OFFERED IN THE IMMUNE SUPPORT PACK?

Each box provides a 30-day supply of convenient daily packs, divided into morning and evening portions. The box comprises 30 separate AM packs, each containing 1 Immune Defense and 1 Vitamin C. Additionally, the box includes 30 individual PM packs, each containing 1 Advanced Antioxidant and 1 Vitamin D3+.
